Exhibit - A. Anaconda FY2015 SOW 20140528.pdf

Andy – I left a voice mail for you earlier today. Is EPA prepared to sign off on the Amendment this week? The Atlantic Richfield folks required to approve payment before the end of the calendar year will start disappearing next week, and I would like to move this forward if we can.

Please advise. Thank you.

Andy, Henry and Dave – attached are the May 2014 Scope of Work and Fifteenth Amendment to the AOC 88-16 which has been signed by Ms. Gallery for Atlantic Richfield Company. The draft Fifteenth Amendment follows the form use for previous years, and incorporates what AR understands to be the final Scope of Work for the USGS sampling program and budget amount for FY 2015, \$438,488.00.

The Amendment provides for payment within 60 days following execution by both parties (the “Effective Date”). AR may pay before the end of the year, if the EPA signature and subsequent internal approvals can be obtained in short order.

Dave – Atlantic Richfield prefers to wire transfer funds to EPA’s financial institution as an alternative to use of the [www.pay.gov](http://www.pay.gov) website. Would you please share the ABA, Account and other information for EFT? Thank you.

Please call me with any questions. Thank you.

Bill
